## SUMMARY

The longest running off-Broadway revue in history has been revised for the 21st century! This celebration of the mating game takes on the truths and myths behind that contemporary conundrum known as "the relationship." Through sketches and songs, Act I explores the journey of dating and waiting to love and marriage, while Act II reveals the agonies and triumphs of in-laws and newborns, trips in the family car and pick-up techniques of the geriatric set. This hilarious musical comedy pays tribute to those who have loved and lost, to those who have fallen on their face at the portal of romance, to those who have dared to ask, "Say, what are you doing Saturday night?" The 2018 version features new songs, revised lyrics and dialogue throughout the show to reflect dating in modern times.
